

Primary Care Occupational Health Arrangements from 1 December 2017

On 1 December 2017, London will be moving to the new National Standard Service Specification for Occupational Health Services to primary care.

This new national specification means that some Occupational Health Services will be paid for by commissioners (Schedule 1 services) and others will be paid for by Performers List applicants and Primary Care Contractors (Schedule 2 and 3 services).

Commissioners will continue to pay for episodes of care under current arrangements if they commenced prior to 30 November 2017, but hadn't been completed. The cut-off point for this is 28 February 2018.

Schedule 1 Services: These services are paid for by Commissioners

- Virology testing, vaccinations for Blood Borne Viruses and Immunisation – **National Performers List Doctors and Dentists only**
- Urgent and longer term advice on exposure to potential blood borne viruses – **All staff in primary are setting**
- Specialist tier for management of those performers that have blood borne viruses – **All staff in primary care settings**
